

Non-GMO Soybean Program in your Area

At Benson Hill, we believe that better feed, food, and fuel start with better seeds. Our industry-leading Ultra-High Protein (UHP) and Specialty product portfolios offer higher protein with competitive yields. Take advantage of these genetics as part of the Redwood Group Specialty Soybean program.

Significant discounts with early commitment window in 2024 through December!

	Product	Variety	RM	MSRP	Oct*	Nov*	Dec*
New!	UHP	BH37U221	3.7	\$75	\$65	\$67	\$69
